

# Practical information

*A museum well worth its salt! This original and colourful world provides a unique opportunity to combine a feast for the eyes with the discovery of a region and its heritage steeped in the history of salt. Designed around three thematic areas, this exhibition immerses you ever deeper in a journey through time, spanning past histories and present realities. Landscapes, techniques, traditions - salt will season your visit from start to finish and share all of its secrets with you...*
